An audit team from the Australian Aged Care Quality Agency visited the aged care home for re-accreditation purposes and spoke to at least 10 per cent of the people who live there. Those we interviewed for this report were randomly selected*. The results are presented in this report which will help you understand the experience of consumers living in the home. It should be read alongside the accreditation audit report on the home available at the Quality Agency's Accreditation Report Search page at http://www.aacqa.gov.au/publications/reports.
