

A provider resource

Find out more about food, nutrition and dining

Discover a wealth of information and support on the Commission's **food, nutrition, and dining provider webpage**.

Providing a great food, nutrition and dining experience doesn't need to be expensive or complicated.

What resources are available?

Explore:

- contemporary evidence about food services in aged care
- 'food for thought' good practice advice and examples
- dining, choice, swallowing and oral health resources, including printable fact sheets, checklists, posters, webinars, videos, in-house training tools and more.

Share the resources with your [staff, people receiving care and their families](#).

How to access resources

Accessing these online resources is easy – select the links above, scan the QR codes or visit agedcarequality.gov.au/food

Further training available

Access online modules at our Aged Care Learning Information Solution – Alis.

Call the **Commission's Food, Nutrition and Dining Hotline 1800 844 044** to speak with professionals from the **Commission's Food, Nutrition and Dining Unit**.
